Council for Human Rights Welcomes the Release of Detainees

By Hassan Osman

The Ministry of Justice advocacy Council for Human Rights has welcomed the government decision releasing 32 political detainees. The Council announced that the decision is consistent with the principle of human rights and protection of all citizens. The Council called on the government to release the remaining political detainees as soon as possible and rejected the complaint of the parallel committee party to the Council's complaints committee.

Ali Yassini

whose name was mentioned.

The Council also issued 13 complaints submitted by the Ministry of Foreign Relations and other international organizations. The complaints pertained to some detainees already released and issues relating to documents from work.

According to Hassan, 2000 complainants were informed in the parties concerned, with some of them replying. The Council stressed establishment of complaints committee.

President Al-Bashir to Participate in Smart Partnership Summit in Swaziland

(SUM) - President of the

Republic of Sudan Al-

Bashir is due to participate

in the Smart Partner-

ship summit, scheduled to be held

at the Kingdom of Swaziland

on August 11.

The Minister of Foreign Affairs Dr. Moustafa Osman re-

sulted that the President will participate in the Smart partnership summit as the invitation which he received earlier from the King of Swaziland.

He emphasized that Sudan is a

founder of the Smart Partner-

ship forum, pointing out that

President Al-Bashir has been

regularly participating in the

Smart Partnership forum,

describing it as an important

economic and trade forum.
